

SEVEN

GONE BUT NOT FORGOTTEN (from the Seven album)

Just thinking of you brings a smile to my face
The way I feel about you can never be replaced
The special way you touched my life
Means oh so much to me
A gift for just a short time I wonder why it had to be

Yesterday's gone by in my heart it's still the same
The human hurt I have inside me, it can never change
You're in a better place now this I know is true
You smile your love down on me now
I look up and I see You, I see You

Only the Good Lord knows
Only the Good Lord knows

You're gone but not forgotten
The memories I keep on holding on to
You're gone but not forgotten
Your life in mine lives on
